Dear Sir/Madam,

**Extension of National Pension System (NPS) Service Fortnight (June 27 – July 11, 2017) till 21st
July 2017**

This is in continuation to our circular nos. PFRDA/19/CG/1/43, dated 24/05/2017 and PFRDA/02/06/61/0016/2017 regarding NPS Service Fortnight and Contest respectively.

We have received a number of requests from various Govt. nodal Offices to extend the period of NPS Service Fortnight so that data of subscribers may be updated in the CRA system effectively. Keeping in view the interest of the subscribers, **it has been decided to extend the period of NPS Service fortnight till 21th July, 2017.** The assessment of the best performing nodal/ uploading offices will also be done based on their performance on the specified parameters during the period June 27 to July 21, 2017.

During the extended period, use of an exclusive web link i.e. <https://npscra.nsdl.co.in/nps.php> developed by NSDL may be done which encapsulates all the information and functionalities related to NPS, including information on '*NPS Mobile App*', which can be instrumental for effective & efficient use of NPS Service Fortnight.

Keeping in view the above, you are requested to disseminate the web link to your all underlying DDOs / DTOs and NPS subscribers. In case any additional assistance/clarification is required, you may contact Sh. Bibhas Dutta at 022-24994558 or bibhasd@nsdl.co.in or Sh. Abhishek Dhuri at 022-24004266/abhishekd@nsdl.co.in.

Yours sincerely,
